Unit 3 So What Are You, Anyway?

By Lawrence Hill (Story)

- o Read the story thoroughly with understanding
- o Answer the Questions that given in your textbook-page no. 31 (in your notebook)
- o Neatly write down word-meaning (from textbook) in your notebook.

1. \*\_"What are you anyway?" ( para 46)\_\*

- a. What did the Nortons want to know about Carole?
- b. What do you think is problematic with the question? Does the word 'what' make a person seem less than human how
- c. Is there any word or phrase in para 32 that does the same thing?

2. \*\_Answer these questions about Carole and her understanding of race.\_\*

- a. Does Carole understand the term race and mulatto?
- b. When Carole first sees the Nortons, does she identify them as white-skinned? What is the word she uses to describe Mr Norton? (Para 2)
- c. Do you think Carole understands colour of skin or race as a major difference between people?

3. \*\_Answer these questions about the Nortons\_\* .

- a. What is the first thing Mr Norton notices about Carole?(para 46)
- b. In para 32, Mrs Norton says that 'the world is not ready' for mixed people though she does not mind them. Do you think she is being honest about her feelings? How do we know?
- c. What do you think is the difference between Carole and the Nortons in the way they approach people? Do they treat everyone equally?

4. "I never use just one colour" (para 55)

- a. What is Carole talking about?
- b. Carole's mother is a white woman. But Carole said she would colour using many different colours. Why do you think that is?
- c. What does this tell us about the Labels 'black' and 'white' that are used for people? Are they accurate? Do children think in terms of these labels?

5. What do you think Carole has learn about people and their attitude toward's race? Do you think her innocent outlook on life will remain the same after the Flight?

6. Do you think it was thoughtless of the Nortons to ask a child such question? Would they have asked an adult the same questions?
